

① Search

A hand-drawn sketch of a mobile application interface for a search feature. The interface is contained within a rounded rectangle. At the top, the word "LOGO" is written in a simple, hand-drawn font. Below the logo is a rectangular search bar with the word "search" written inside it. Underneath the search bar are three rows of content. Each row consists of a rectangular box on the left and a smaller square box on the right. A line points from the text "brief description" to the first square box. At the bottom of the main container, there is a vertical line extending downwards to the word "recommends".
